Thank you

Hello Band Parents and Students!

Here we are- wrapping up the end of the school year in a way we never imagined. It's very bittersweet for me. While I always look forward to the summer time, this is not how I wanted to end the school year, for sure! I miss my students GREATLY and being able to pop in on some class meetings has filled part of that void! I hope that you have kept learning and kept working hard on becoming great musicians on your instruments! I wanted to say THANK YOU for letting me be your band teacher this year, even though our time together was cut short. I have thoroughly enjoyed watching every class progress and grow as musicians. Each of you should be proud for how far you have come from when you first selected your instrument back in September!

I look forward to seeing you in your various middle schools and know you will do great things!

Instruments

- If you are **renting your instrument from a music store**, I STRONGLY recommend that you do NOT turn it back in over the summer. Most (if not all) instrument rentals are done as "Rent to own." If you turn in your instrument over the summer, you will need to start over with a new contract when band starts again next year and the money you have invested will not be applied to that new contract!
- If you have a **SCHOOL INSTRUMENT**- those are to be turned into the school when you come to pick up your other belongings. If you are interested in keeping your instrument over the summer so you can continue to practice (I really encourage this), please let me know as soon as possible and we will figure out a plan!
- **KEEP your Sound Innovations Book 1 as you WILL be using it in 6th grade!!**

Random Pictures from Ms. Angelo's Quarantine:

As always, thank you for reading through the information!

I hope you stay safe, keep learning and keep playing instruments!!!!

Musically,

Kimberlyn Angelo (and Lucy the kitten)

"Without music, life would B-flat!"
